Baby It’s Cold Outside - Ukulele

F       Dm       F       Dm       Gm7       C7       Gm       C7
I really can’t stay
But baby it’s cold outside

F       Dm
But baby it’s cold outside

This evening has been
Been hoping that you’d drop in

G7
Beautiful what’s your hurry

C7
I’ll hold your hands, they’re just like ice

F       G7
So really I’d better scurry
Well maybe just a half a drink more

Dm       Fm6
Beautiful please don’t scurry
Put some records on while I pour

C7
Listen to the fireplace roar

F       Dm       F       Dm       Gm7       C7       Gm       C7
The neighbors might think
But Baby it’s bad out there

F       Dm
I wish I knew how
to break the spell

Dm       Fm6
Your eyes are like starlight now
I’ll take your hat your hair looks swell

G7
Say, what’s in this drink?

C       C7
No cabs to be had out there

F
I ought to say “no, no, no, Sir!”
At least I’m gonna say that I tried

F       Dm       D7
Mind if I move in closer?
What’s the sense of hurting my pride?

G7       C       C7
I really can’t stay
Oh baby, don’t hold out

F       Dm       F
Ah, but it’s cold out side

F
Baby it’s cold outside
