

Beautiful Sunday – Baritone Ukulele

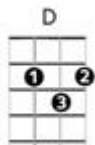

1: Sunday morning up with the lark
2: Birds are singing, you're by my side

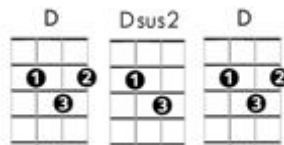

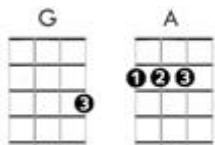

I think I'll take a walk in the park
Let's take the car and go for a ride

Hey, hey, hey it's a beautiful day

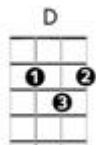

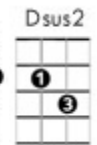

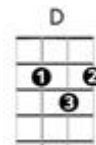

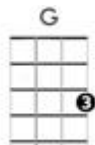

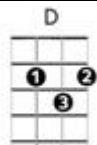

1. I've got someone waiting for me And when I see her, I know that she'll say
2. We'll drive on and follow the sun Makin' Sunday go on and on

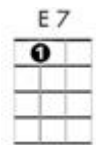

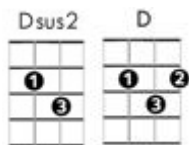

Hey, hey, hey it's a beautiful day

CHORUS:

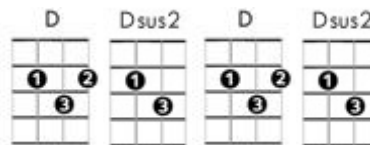

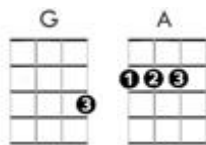

Hi, hi, hi beautiful Sunday

This is my, my, my beautiful day

When you said, said, said, said that you love me

Woe, woe... my, my, my, it's a beautiful day

(after verse 2, play chorus twice, end on D)
