

Open Arms - Baritone Ukulele

Lying beside you, here in the dark, feeling your heart beat with mine

Softly you whisper, you're so sincere, how could our love be so blind

We sailed on together, we drifted apart, and here you are by my side

CHORUS:

So now I come to you, with open arms, nothing to hide, believe what I say

So here I am with open arms, hoping you'll see what your love means to me, open arms

Living without you, living alone - this empty house seems so cold

Wanting to hold you, wanting you near, how much I wanted you home

But now that you've come back, turned night into day... I need you to stay

(Chorus)
