

# Over The Rainbow - Baritone Ukulele

Some - where over the rainbow way up high

There's a land that I heard of once in a lull - a - by

Some - where over the rainbow skies are blue

And the dreams that you dare to dream really do come true

Someday I'll wish upon a star and wake up where the clouds are far behind me

Where troubles melt like lemon drops away above the chimney tops, that's where you'll find me

Some - where over the rainbow blue birds fly

Birds fly over the rainbow why then oh why can't I?

If happy little bluebirds fly beyond the rainbow why oh why can't I?
