

Rhythm of the Rain - Baritone Ukulele

Listen to the rhythm of the falling rain, telling me just what a fool I've been

I wish that it would go and let me cry in vain, and let me be alone again

The only girl I care about has gone away, looking for a brand new start

But little does she know that when she left that day, along with her she took my heart

Rain, please tell me now does that seem fair

For her to steal my heart away when she don't care

I can't love another when my heart's somewhere far away

The only girl I care about has gone away, looking for a brand new start

But little does she know that when she left that day, along with her she took my heart

[musical interlude]

Rain, won't you tell her that I love her so

Please ask the sun to set her heart aglow

Rain in her heart and let the love we knew start to grow

Listen to the rhythm of the falling rain, telling me just what a fool I've been

I wish that it would go and let me cry in vain, and let me be alone again

Oh, listen to (listen to) the falling rain... pitter patter, pitter patter [repeat and fade]
