

The Band Played On - Baritone Ukulele

Note: chords which are greyed out in this version are optional and for more advanced players

Casey would waltz with a strawberry blonde

And the band played on

He'd glide 'cross the floor with the girl he adored

And the band played on

But his brain was so loaded, it nearly exploded

The poor girl would shake with a -- larm

He'd ne'er leave the girl with the strawberry curls

And the band played on
