

I'm Into Something Good - Baritone Ukulele

Woke up this mornin' feelin' fine... there's somethin' special on my mind

Last night I met a new girl in the neighborhood... Somethin' tells me I'm into somethin' good

She's the kind of girl who's not too shy... and I can tell I'm her kind of guy

Well she danced close to me like I hoped she would... and somethin' tells me I'm into somethin' good

We only talked for a minute or two but we stuck close together the whole night through

Can this be fallin' in love? Well she's everything I've been dreamin' of

When I walked her home and she held my hand I knew it couldn't be just a one night stand

So I asked to see her next week and she told me I could

Somethin' tells me I'm into somethin' good... (REP)

somethin' good, oh yeah, somethin' good
