

Any Time

Any time you're feeling lonely, any time you're feeling blue

Any time you feel down-hearted, that will prove your love for me is true

Any time you're thinking 'bout me, that's the time I'll be thinking of you

So any time you say you want me back again, that's the time I'll come back home to you

Any time your world gets lonely and you find true friends are few

Any time you see a rainbow, that will be a sign the storm is through

Any time will be the right time, any time at all will do

So any time you say you want only my love, that's the time I'll come back home to you
