

# Baby It's Cold Outside – Soprano Ukulele

I really can't stay

I've got to go 'way

But baby it's cold outside

But baby it's cold outside

This evening has been

So very nice

Been hoping that you'd drop in

I'll hold your hands, they're just like ice

My mother will start to worry

And father will be pacing the floor

Beautiful what's your hurry?

Listen to the fireplace roar

So really I'd better scurry

Well maybe just a half a drink more

Beautiful please don't hurry

Put some records on while I pour

The neighbors might think

Say what's in this drink

But baby it's bad out there

No cabs to be had out there

I wish I knew how

To break the spell

Your eyes are like starlight now

I'll take your hat your hair looks swell

I ought to say no, no, no sir

At least I'm gonna say that I tried

Mind if I move in closer?

What's the sense of hurting my pride?

I really can't stay

Ah, but it's cold

out

side

Baby don't hold out

Baby, it's cold

out

side

I simply must go

But baby it's cold outside

The answer is no

But baby it's cold outside

The welcome has been

How lucky that you dropped in

So nice and warm

Look out the window at that storm

My sister will be suspicious

My, your lips look delicious

My brother will be there at the door

Waves upon a tropical shore

My maiden aunt's mind is vicious

Gosh your lips are delicious

Well maybe just a cigarette more

Never such a blizzard before

I've got to get home

But baby you'd freeze out there

Say, lend me a comb

It's up to your knees out there

You've really been grand

I thrill when you touch my hand

But don't you see

How can you do this thing to me?

There's bound to be talk tomorrow

Think of my lifelong sorrow

At least there will be plenty implied

If you caught pneumonia & died

I really can't stay

Get over that old doubt

Ah, but it's cold

Ah, but it's cold

out

out

side

side

Baby, it's cold

Baby, it's cold

out

out

side
