

Deep Purple – Soprano Ukulele

When the deep purple falls over sleepy garden walls

And the stars begin to twinkle in the sky

In the mist of a memory, you wander back to me

Breathing my name with a sigh mm - mm

In the still of the night, once again I hold you tight

Though you're gone, your love lives on when moonlight beams

And as long as my heart will beat, sweet lover, we'll always meet

Here in my deep purple dreams
