

I Believe in Music - soprano ukulele (key of G)

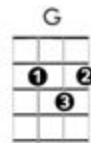

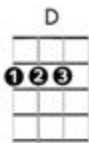

I could just sit around, making music all day long.

As long as I'm making my music can't do nobody no harm.

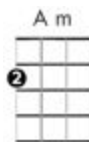

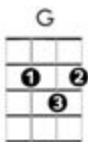

And who knows, maybe someday, I'll come up with a song.

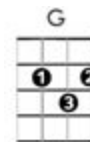

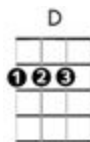

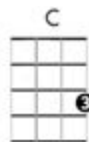

To make people want to stop this fussing and fighting long enough to sing along.

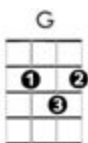

CHORUS:

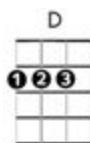

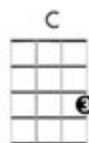

I believe in music

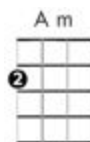

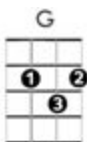

I - I believe in love

I believe in music

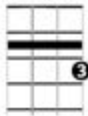

I - I believe in love

Music is love and love is music if you know what I mean.

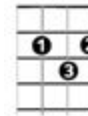

D 7 (bar)

People who believe in music are the happiest people I've ever seen.
