

The Rainbow Connection – Soprano Ukulele

(INTRO RIFF)

Why are there so many songs about rainbows and what's on the other side

Rainbows are visions but only illusions and rainbows have nothing to hide

So we've been told and some choose to believe it... I know they're wrong wait and see

Someday we'll find it, the Rainbow Connection, the lovers, the dreamers and me

Who said that every wish would be heard and answered when wished on the morning star

Somebody thought of that, and someone believed it, and look what its done so far

What's so amazing that keeps us star gazing and what do we think we might see

Someday we'll find it, the Rainbow Connection, the lovers, the dreamers and me

All of us under its spell... we know that it's probably magic

Have you been half asleep and have you heard voices... I've heard them calling my name

Is this the sweet sound that calls the young sailors, the voice might be one and the same

I've heard it too many times to ignore it It's something that I'm supposed to be

Someday we'll find it, the Rainbow Connection, the lovers, the dreamers and me

La de da doo da dee doo, la da da dee da da doo
