

# Stardust – Soprano Ukulele (key of D)

And now the purple dusk of twilight time steals across the meadows of my heart

High up in the sky the little stars climb, always reminding me that we're a-----part

You wander down the lane and far away leaving me a song that will not die

Love is now the stardust of yesterday, the music of the years gone by

Sometimes I wonder why I spend the lonely night dreaming of a song

The melody haunts my reverie and I am once again with you

When our love was new and each kiss an inspiration

But that was long ago now my consolation is in the stardust of a song

Beside a garden wall when stars are bright, you are in my arms

The nightingale tells his fairy tale of paradise where roses bloom

Though I dream in vain, . . . in my heart it will remain

My stardust melody the memory of love's refrain
