

Sweet Leilani – Soprano Ukulele

Sweet Leilani, heavenly flow-----er, nature fashioned roses kissed with dew

And then she placed them in a bower – it was the start of you

Sweet Leilani, heavenly flow-----er, I dreamed of paradise for two

You are my paradise completed... you are my dream come true

Sweet Leilani, heavenly flow-----er, tropic skies are jealous as they shine

I think they're jealous of your blue eyes, jealous because you're mine

Sweet Leilani, heavenly flow-----er, I dreamed of paradise for two

You are my paradise completed... you are my dream come true
